INVITATION - UITNODIGING EINLADUNG - INVITATION

It is a great pleasure for the Cystinosis Foundation, the AIRG to invite you to the 4th International Cystinosis Conference, which will take place in Noordwijkerhout, the Netherlands.

The cystinosis conferences are based on a tradition of excellence and bring together families living with Cystinosis, international medical professionals and researchers.

Your participation will contribute to a productive meeting which will include a challenging and exciting programme of workshops, plenary and parallel sessions.

We look forward to welcoming you to the 4th International Cystinosis Conference for which the theme is :

Working together for Cystinosis
June 30 – July 2, 2006

Het is ons een groot genoegen u namens de Cystinosis Foundation, en AIRG uit te nodigen voor de 4^{de} Internationale Cystinose Conferentie, welke gehouden zal worden in Noordwijkerhout. De cystinose conferenties hebben naam gemaakt door families die met cystinose te maken hebben samen te brengen met de internationale medische professionals op dit gebied. Uw deelname zal bijdragen tot een succesvolle bijeenkomst welke een uitstekend programma omvat met plenaire en parallel sessies en workshops.

We hopen u te mogen verwelkomen op de 4^{de} Internationale Cystinose Conferentie. Het thema is :

Samenwerken voor Cystinose
30 juni tot en met 2 juli 2006

Mit großer Freude möchten die Cystinosis Foundation, und AIRG Sie heute zu unserer 4. Internationalen Cystinose-Konferenz einladen. Sie wird in Noordwijkerhout in den Niederlanden stattfinden.

Wie bei den vorangegangenen internationalen Konferenzen soll auch diesmal der Austausch zwischen den weltweit renommiertesten Experten für Cystinose einerseits, den betreuenden Ärzten und betroffenen Familien andererseits im Vordergrund stehen.

Um diese Konferenz wirklich erfolgreich werden zu lassen, möchten wir Sie nicht nur zur Teilnahme einladen. Wir möchten Ihnen auch ein großes Forum bieten, Ihre Forschungen über Cystinose, alle Folge-Erkrankungen und Komplikationen und Ihre Erfahrungen mit Cystinose-Patienten und als Cystinose-Betroffene vorzustellen.

Wir freuen uns schon auf Sie ! Das Motto wird sein :

Zusammenarbeiten für Cystinose
30. Juni bis 2. Juli 2006

C'est avec grand plaisir que Cystinosis Foundation, l'AIRG vous invitent à la 4^{ème} Conférence Internationale sur la Cystinose, qui aura lieu à Noordwijkerhout aux Pays-Bas.

Les Conférences sur la Cystinose reposent sur une tradition d'excellence et rassemblent les familles vivant avec la Cystinose ainsi que les médecins et chercheurs internationaux.

Votre participation active contribuera à une réunion productive, avec un programme stimulant et passionnant ponctué par des sessions plénières, des sessions parallèles et des ateliers.

Dans l'attente de vous accueillir lors de la 4^{ème} Conférence Internationale sur la Cystinose sur le thème :

Ensemble pour la Cystinose

SATURDAY 1ST JULY MORNING SESSION

9:00 Plenary session	Chair : J. Schneider
15' Treatment of kidney disease in cystinosis	C. Loirat
10' Ocular involvement in cystinosis	H. Cruysberg
10' Muscular dysfunction and swallowing difficulties	B. Sonies
10' Renal bone disease	C. Langman
20' Q & A	
15' Growth performance, fertility and endocrine status	P. Niaudet
15' Cognitive functions in cystinosis patients : data from US Data from the Netherlands	D. Trauner/comment I. Hulstijn
20' Q & A	
30' Break	
20' Clinical data base	W. Van't Hoff
10' Cystine measurement, data from the Netherlands	H. Blom
10' Quality of cystine measurement	N. Dalton

12:40

Buffet / Lunch

SATURDAY 1ST JULY AFTERNOON SESSION

14:00 Plenary session	Chair : M. Broyer
15' Results of cysteamine therapy starting from early age	R. Kleta
10' Compliance with cysteamine therapy	E. Levchenko
15' Effect of cysteamine on late complications	W. Gahl
15' Q & A	
15' Gastrointestinal issues in cystinosis	R. Dohil
10' Advances in pro-drug development	R. Anderson
10' Renal transplantation in cystinosis	P. Niaudet
25' Optimal dosing regimen of cysteamine* therapy & discussion	W. Van't Hoff
20' Break	
16:30 Workshop for families with young children Panel : Parents, C. Loirat, A. van den Berg, I. Hulstijn	Chair : W. van't Hoff
60' Feeding difficulties, drug intake, growth, development	

* Mercaptamine bitartrate
